GREETINGS

Making human life more beautiful through cosmetics
I strongly believe that we are not in the business of simply making cosmetics. We are producing the value of a synergistic combination of economic and social values with green action.

Jason IM (Next Pangaea's CEO)

MINIMALIST PRESENTATION

Next Pangaea Inc. is a Korean private label cosmetics manufacturer specializing in the production and marketing of cutting-edge cosmetic products.

Everything started with a dream: founded by Jason IM with the aim of developing important expertise in cosmetics and making human life more beautiful and richer by connecting cosmetic companies around the world.

WHY?

We want to make human life more beautiful. We strongly believe that cosmetics can be the most important factor to reach the beautiful world we dream of.

HOW?

We are not in the business of simply making cosmetics but are producing the value of a synergistic combination of economic and social values.

WHAT?

As a well-experienced expert, we are providing fast and fit services to clients. Whatever is requested we can handle all the things because we have an OSM that hidden champions are connected with a strong partnership.

THE SERVICE

TOTAL CONSULTING

We provide a solution about whole process from product planning to production.

OEM/ODM

We can realize cosmetic Ideas to actual products through our advanced cosmetic OEM/ODM service.

GLOBAL SOURCING

We have a wide manufacturing network in Korea, we can be your sourcing partner.

OSM

Over the OEM/ODM, we can handle the whole process from Branding to global SCM through our OSM network.
